Savannah Early College	Selection Announcement of a Savannah Early College Student to a major local business partner's (R. J Griffin & Company) prestigious summer intern program	Savannah	1-May-09	11AM	Savannah Early College	Gertrude Robinson, 912-963-7030	<p>The student, a participant in the Early College Historic Preservation program, was selected after an extensive interview and application process. The student will spend this summer working directly with key R. J. Griffin executives and participate in meetings with owners, architects and engineers. They will also be exposed to the day-to-day operations of a \$12 million construction project including the management of area subcontractors. Additionally, project scheduling, budget management and leadership skills will be areas of focus while participating as an intern with R. J. Griffin &amp; Company.</p> <p>R. J. Griffin &amp; Company is committed to developing talent from the Savannah / Chatham County area to complement its projects currently under construction. The internship program will introduce students with an interest in construction to the general contracting business and further enhance their future college and career plans.</p>
